Weekly Newsletter Friday 20th December

Ben Rhydding Primary School

Dear Parents,

Here is the weekly newsletter for your reference. Please keep yourself updated on all our news and upcoming events. Wishing you all a very Merry Christmas and we will see you on 6th January 2020!

Winter Weather
As we are entering a period of winter where snow is forecast and unpredictable, we would like to remind all parents and carers that it is essential you have a contingency plan for your children if school is closed or we have to implement an early closure due to winter road conditions and/or heavy snowfall. School closures are never taken lightly and we will always do all we can to remain open, but sometimes we have no other option other than to make this decision. In the event of a school closure we will endeavour to notify all parents and carers as soon as possible, usually by 7:30am. We will send out notification via PING. Hopefully we will get through the winter without too much heavy snowfall, but having a contingency plan will hopefully help reduce the disruption caused to families and working parents/carers as the result of a school closure.

School Meal Price increase
From January the cost of school dinners will increase from £2.10 to £2.20.

Poppy Appeal
Thank you all for your generous donations for the Poppy Appeal. We raised an amazing £369.94 in total.

Upcoming Events
