

Year 2 Summer 2 2019 Curriculum Newsletter

Welcome back! I am so proud of how hard every child worked last half term. We now just have a few more weeks left in year 2 and we've got plenty of fun learning planned including our KS1 Beach Day and an end of year treat.

Learning Challenge Curriculum

Why do we love to be beside the seaside?

This half term, Year 1 and 2 will be asked the following questions:

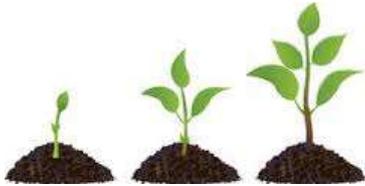

- What attracts visitors to seaside resorts?
- What do you notice about the coast and how is it different to your town?

Science

How do I grow my own garden?

This half term we will be learning about plants. The children will be asked:

- *How do seeds and bulbs grow into plants?*
- *What do plants need to grow and stay healthy?*

PE

Our P.E days are **Monday** and **Friday** so please ensure your child has their kit in school on these days. Weather permitting, some of our sessions will be outside so please ensure your child has both an indoor and outdoor kit with them (joggers/leggings) as well as a pair of trainers.

Homework

Weekly maths tasks are sent out on a **Friday** and are due in the following **Wednesday**. Weekly spellings are sent home on a **Friday** and will be checked on a **Thursday**. Book exchange takes place on a **Tuesday** and **Friday**. Please ensure book bags are in school on these days and that a comment has been written in the reading records to show your child has read.

Water bottles

Please ensure your child brings a **filled water bottle** with them to school every day. This should be one that stays in the classroom for the day and not one from their packed lunch.

Thank you for your support.

Yours sincerely,

The Year 2 Team

Miss Kelly and Mrs Armitage

Dates for your Diary

Friday 7th June: KS1 Living Museum

Friday 21st June: Sports Day

Wednesday 10th July: Meet the Teacher 14:30 – 15:00

Friday 12th July: Transition Day
