Year 5 Curriculum

English

Our main text this term will be 'The Island at the end of Everything. We will use the book to inspire our written work looking at predictions and inference. We will be using the book to help with an informative piece on the complications of segregation.

Maths

To start this term, we will be finishing off the fractions topic before moving onto decimals and percentages.

Topic

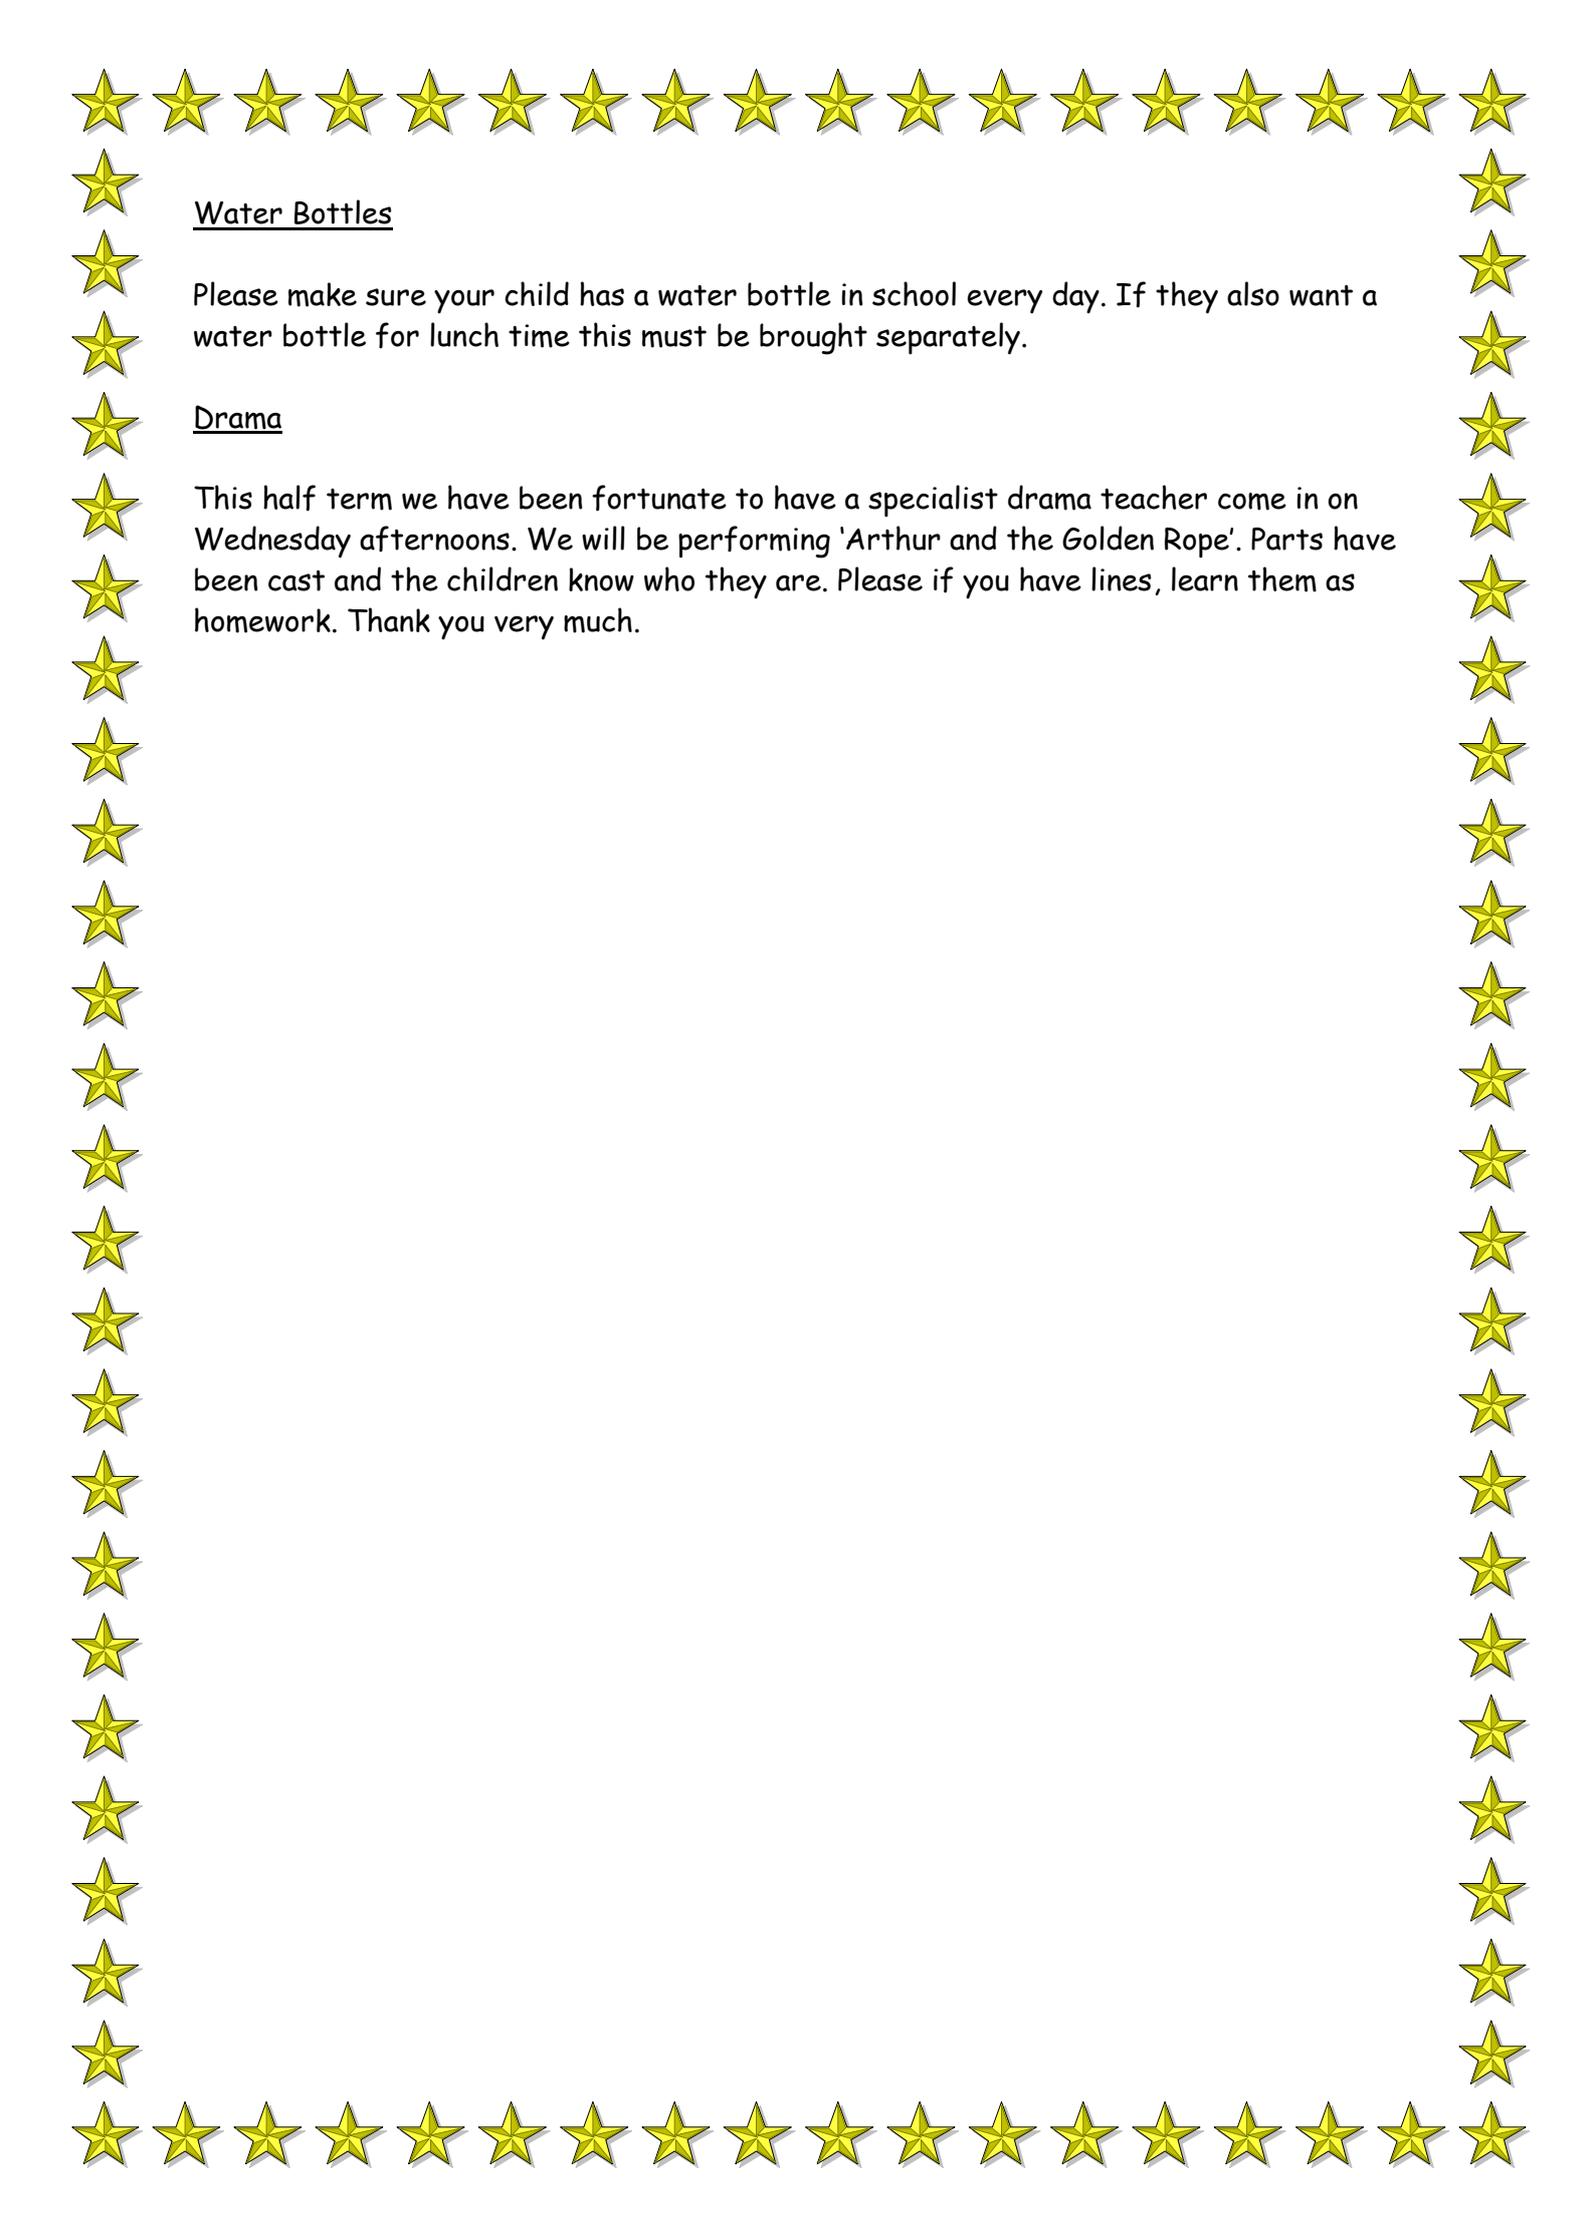

Our topic this term is Ancient Egypt and we will be looking to compare and contrast with our history topics with our time throughout school.

French

In French this half term, the children will begin to learn family vocabulary, which they will combine with the relative pronoun, 'qui' to form sentences describing families, especially siblings.

P.E.

Our 'PE day' is Thursdays. Please come in Ben Rhydding PE kit and warm clothing as we will be trying to go outside where possible.

Water Bottles

Please make sure your child has a water bottle in school every day. If they also want a water bottle for lunch time this must be brought separately.

Drama

This half term we have been fortunate to have a specialist drama teacher come in on Wednesday afternoons. We will be performing 'Arthur and the Golden Rope'. Parts have been cast and the children know who they are. Please if you have lines, learn them as homework. Thank you very much.
