

VIRTUAL INFORMATION DAYS BEN RHYDDING PRIMARY SCHOOL

Is your child starting school in September 2021?

We are a one form entry primary school and our academic program begins with our reception entry level for students Ages 4-5 and completes at Year 6. It is a balanced and integrated curriculum in a classroom where materials are looked after, precise, and developmentally appropriate. After reception class, we transition to a more “traditional” environment that is filled with innovative and hands-on opportunities, ways for children to truly understand what we are teaching.

In addition to our strong academic program our children have the opportunity to enrol in some of our school clubs and music classes that teach everything from drumming to guitar, multi sports, netball, lego, pop choir, dodgeball in our school hall, playground area or on our playing fields. We seek to provide our students with an atmosphere that develops a lifelong love of learning by exposing them to a well-rounded curriculum that will develop their critical thinking and problem solving skills, not only for school but for life.

We would like to extend an invitation to you and your family to join one of our virtual information events. You will get a chance to meet Miss Alston, our Reception Teacher alongside Mr Hartford, our Headteacher. We look forward to getting to know you and answering your questions about our school, our community, and the admission process.

Please call 01943 431133 or email office@benrhydding.bradford.sch.uk to register to attend one of the events listed above.

Kind Regards,
Mr G. Hartford
